

Providing Ethical Employee Benefits

Big Give charity vouchers engage your staff in charitable giving, providing an innovative and ethical way to reward employees whilst helping your company stand out as a valued employer.

“easy and intuitive” -  **Oxfam**

“an excellent website” -  **KIDSCOMPANY**

Big Give vouchers contain a unique ID number that can be entered on theBigGive.org.uk, allowing your employee to donate the gift amount to the charity of their choice.

“a phenomenally good idea” - **IntelligentGiving.com**

Projects on The Big Give range from local initiatives, such as a W.I. in Staffordshire needing chairs, to £10m global campaigns e.g. Oxfam's Born Free from HIV.

Around a quarter of regular retail vouchers are not spent. Any unredeemed vouchers from your Big Give voucher scheme can be given to your company's chosen charity.

Big Give charity vouchers are available in any denomination from £10 to £1000+. We can provide a specialised report allowing you to measure which charity had been the most popular with your staff.

E-vouchers are available to minimise costs to you and the environment.

You can donate vouchers to any of the 4,600+ charities on The Big Give, including:

The Big Give are pleased to work with Charities Trust in supplying these vouchers. Both organisations are run on a not-for-profit basis.
